MESSAGE FROM THE EDITOR

It has been a busy Summer for all of us, with vacations, grandchildren, gardens and other things that take time away from ART!! Getting ready and showing work at both Alki and The Seattle Center took more time and energy than I realized. However it was worth it.... Lots of fun and meeting people. Now I feel like it is time to get back to painting and creating. Maybe because the school year starts in September I am ready for a fresh start.

I spent several hours on Sunday with Keith Artz who patiently showed me how he does his newsletter so this edition is somewhat different from previous ones. I still have a lot to learn.

One change that I like is that I can use a detail from the 1st Place Painting of the Month as a background on the Masthead. This month happened to be me but I used a different painting as I was having trouble fitting the waterfall in!! Something else to learn.

Congratulations to all those who participate in the Alki and Seattle Center Shows. Both events were quite successful. The weather at Alki was perfect and the Armory Show looked the best ever! Thanks for all who gave time and effort to make this another banner year-our 50th year at Seattle Center

Lee.

GOOD TIMES AT ALKI!

Lee Henrickson had some exciting sales at the Annual Alki Arts Fair. A couple who stayed on their Honeymoon 9 years ago at Snoqualmie Falls Lodge fell in love with his painting and purchased it!!
